# Electronic Advance DATA implemented

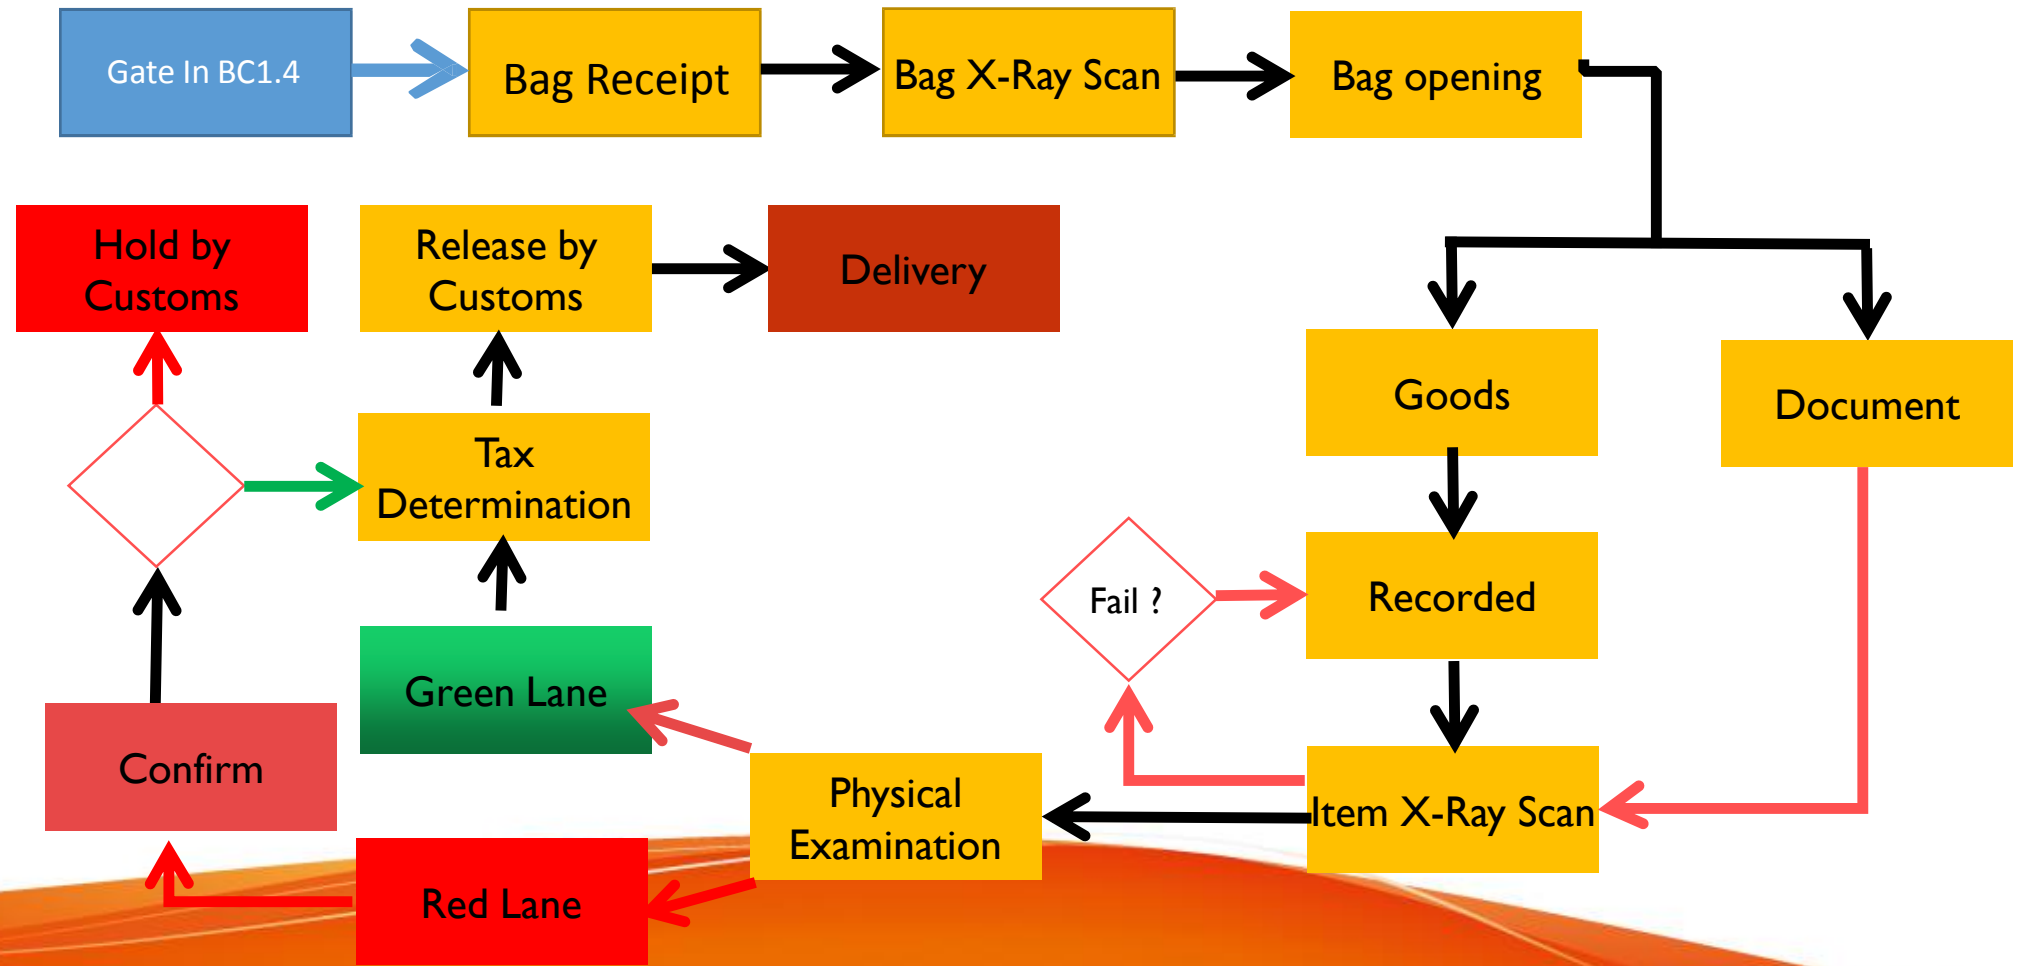

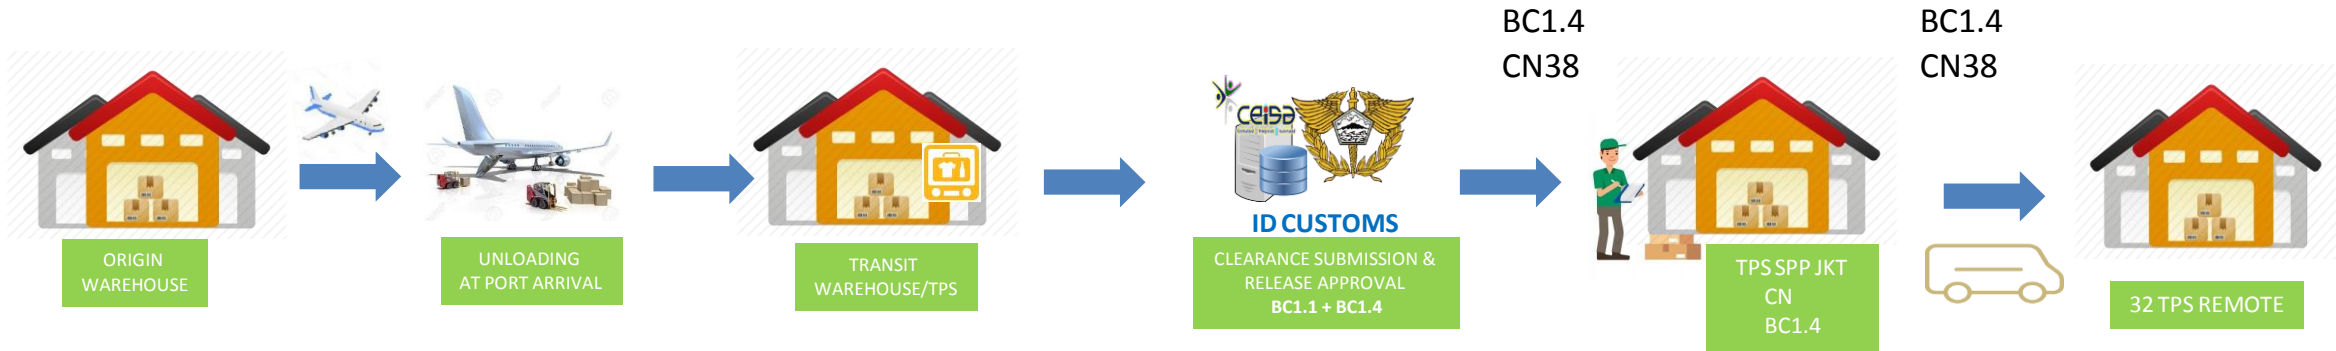

- All shipments containing goods must implement EAD
- Some countries only implement EAD only for EMS service

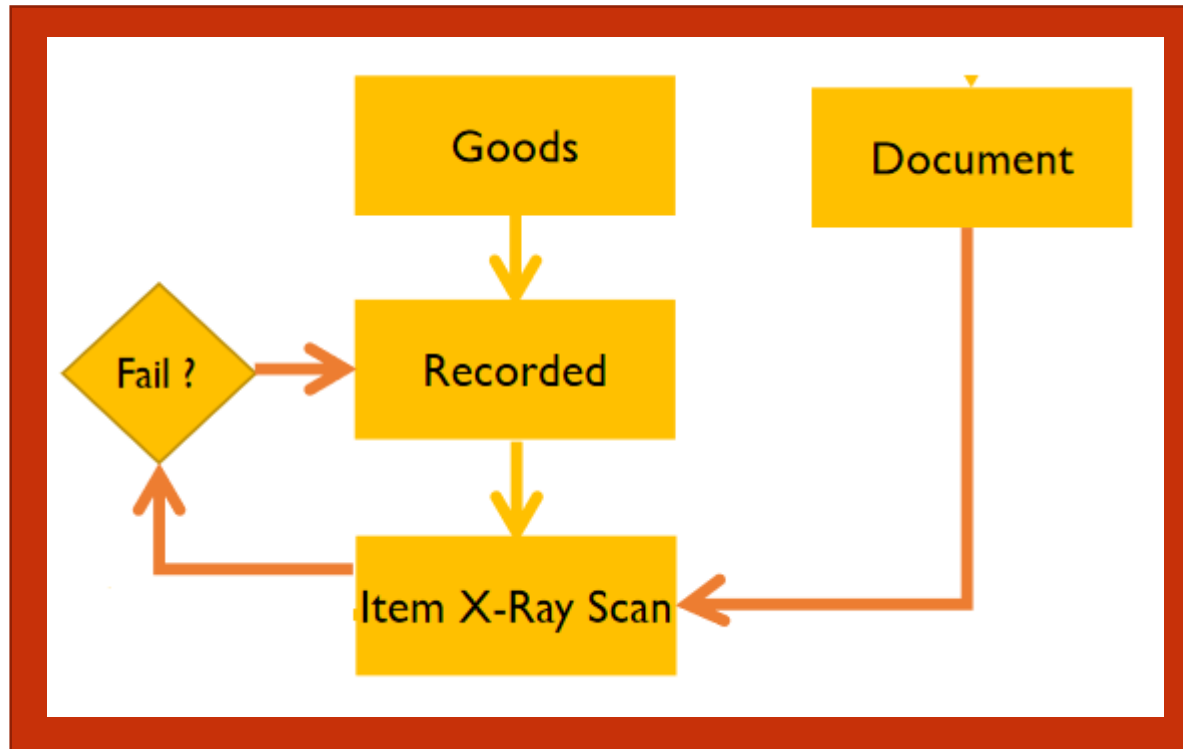

Why this needs to be done?

*All just to help your shipment can be processed and delivered quickly*

*Please see the process flow below*

**PLEASE PAY ATTENTION**  
to this section!!!

Your submission without EAD  
will be delayed processing

## HOW LONG YOUR SHIPMENT WILL BE DELAYED?

*it depends on what day your shipment we receive*

<b>MONDAY</b>	
<b>TUESDAY</b>	
<b>WEDNESDAY</b>	
<b>THURSDAY</b>	
<b>FRIDAY</b>	◀
<b>SATURDAY</b>	
<b>SUNDAY</b>	

*If your shipment is received on Friday, it will be delayed until Monday*

# Closing

If you need speed, make sure:

1. All shipments are recorded in EAD, to speed up the process of

exchanging data with Customs at the airport

2. Always use USD

3. Always use Latin letters

4. Always fill in the contents of the shipment completely and in detail

**Thank you  
for your attention**
