Subject: 2023 APPU Executive Council Meeting to be held in Bangkok, Thailand

Dear APPU Members,

Reference is invited to our letter no. 23/31/299 (23)-VS/kp dated 29 May 2023 exploring the willingness of member countries to host this year's APPU Executive Council meeting. However, possibly due to the limited timeframe, no member country has volunteered to be a host for the meeting by the prescribed timeline.

Consequently, in line with the General Regulations of the APPU, the APPU Bureau will undertake the hosting responsibilities for the 2023 Executive Council Meeting. It is my great pleasure to invite you to the 2023 APPU Executive Council meeting, which will now be held in Bangkok from 14 to 18 August 2023.

All delegates are strongly encouraged to attend the EC Meeting in person in Bangkok to maximize engagement and collaboration. For registered participants, who are unable to travel to Bangkok, we will provide a limited online attendance option via an online platform, subject to the approval of the Rules of Procedure of the EC and technological feasibility.

Delegates are invited to visit www.appuec2023.com and register online for the event latest by **30 June 2023**. In case you find any difficulty registering online, the same can also be done by filling in the form annexed to this letter. Kindly be aware that any registrations which were made before 29 May 2023 will not be considered valid, and we kindly request you to register again. Information regarding the meeting venue, accommodation, and other important announcements will be published on the website.

Member countries are warmly invited to consider hosting a lunch or sponsoring a meeting package for a day during the event. For further details and to explore the available opportunities, please get in touch with Ms. Kwanjai Kajornwuttideth, Manager Administration & APPU Affairs at kwanjai@appu-bureau.org.

We look forward to your active involvement and constructive contributions at the 2023 APPU EC Meeting in Bangkok. Should you have any inquiries or require further information, please do not hesitate to contact us.

Yours sincerely,

Dr. Vinaya Prakash Singh
