

Intensive International Mail Accounting Course (2IMA)

APPC organises one-week **Intensive International Mail Accounting Course** scheduled from **6th to 10th May 2024** at Bangkok , Thailand. Our professionals need to be **equipped with latest procedures , policies and updates** about international mail accounting in contemporary postal industry. The tailor-made course will equip participants with the tools needed to refine their skills and knowledge about **terminal dues** and competencies in **international mail accounting documentation** . The topics covered will facilitate the participants to examine mail accounting settlements among designated operators. The sessions will be mainly handled by the subject matter **expert from UPU**. This will enable participants to develop skills and abilities for future roles contributing to the success of the organisation.

PLEASE VISIT THE WEBSITE FOR FURTHER DETAILS.

Some of the key features of the course has been highlighted below.

Terminal Dues	Direct Access	Experts from UPU
Self -Declared Rates	Transit Charges	Challenges and Solutions
ECOMPRO	Inward Land Rates	Practical experience sharing by DOs
