

International Mail Accounting Course (IMA)

APPC organises three-week **International Mail Accounting Course** scheduled from **16 September to 4 October 2024** at Bangkok , Thailand. Our professionals need to be **equipped with latest procedures , policies and updates** about international mail accounting in contemporary postal industry. The tailor-made course will equip participants with the tools needed to refine their skills and knowledge about **terminal dues** and competencies in **international mail accounting documentation**. The topics covered will facilitate the participants to examine mail accounting settlements among designated operators. The sessions will include site visits as well as sessions by the subject matter **expert from UPU**. This will enable participants to develop skills and abilities for future roles contributing to the success of the organisation.

Please visit website for further details.
